Tel: 0098-21-44010038 mobile: 0098-9129216330 [www.tarhokar.com](http://www.tarhokar.com) info@tarhokar.com

**1) OBJECT:**

Agreement with the purpose of a mutual collaboration as a consultant / partner of Tarhokar Eng. Co. for the local tenders in water and wastewater treatment projects, but not in automotive sector.

**2) DURATION:**

from the signature of the agreement till one year (1 October 2018)

**3) PART OBLIGATIONS:**

for the duration of the present agreement Tarhokar Eng. Co. will proceed with a market research on the national territory of Iran, to discover the potentiality of Hydro Italia products. Hydro Italia gives technical consultant for pre-designing of water and wastewater systems and will not collaborate with any other local company for this sector, but keep for itself to collaborate with other companies in automotive sector water treatments. By the end of the agreement both parties will have a meeting for the final decision for a mutual cooperation.

**4) PRODUCTS:** systems and methods of industrial water purification

**5) Economic remuneration** will be agreed between the parties each time depending on the type of project.
